

Dear Friends, Family, and Community Sponsors,

Harambee Cultural Society is a non-profit charitable organization that seeks to develop and promote better understanding of the experience of our children of African heritage. Harambee runs the annual Harambee Summer Festival, a week long cultural camp for families with children of African heritage.

The Harambee Summer Festival provides family enrichment programs where children can explore and better understand their adoption and race experiences while having fun. Educational workshops, seminars and counseling are provided to educate parents, kids and community on issues of identity and attachment.

Please consider donating to the Harambee Cultural Society. Without your support we would not be able to offer enriched opportunities at camp for children of African heritage. Although families pay to attend our camp, their fees do not cover all costs or enable us to provide year round activities and support. Please help secure the future of the Harambee Summer Festival.
